Wins from Lexington.

The football game played between the Lexington high school team and the local team at Lexington Friday afternoon resulted in another victory for the North Platte High school, the official score being 17 to 6 in their favor.

The Lexington team made their score in the first quarter of the game by an intercepted forward pass and a run of about sixty yards, and until the last fifteen minutes of the game the score stood thus in their favor. In the last quarter of the game four touch downs were made by North Platte, two by Halligan and two by Votaw but the latter was penalized on one and forfeited by the umpire.

The new rules are still confusing and penalizing was frequent, causing the home team to become disheartened and until aroused to action by what they considered unjust decisions, the game was clearly Lexington's. The team returned home Saturday morning bringing with them another well earned and deserving victory.

The next game will be played with the K. M. A. on Friday afternoon of this week on the home grounds.

"Hard Time" Hallow E'en Dance.

One of the most enjoyable of the numerous Hallow E'en affairs which have been in evidence among the social sets of this city, was the dancing party given by the Lady Hustlers at the Masonic hall Friday evening.

The hall was decorated with numerous 'lighted jack' o' lanterns and pumpkins and the program of dances was in keeping with the occasion. A large number present were dressed to represent "hard times" and this afforded much amusement. For the best make-up, the prizes were awarded to Cash Austin and Mrs. Ralph Bixler.

At the intermission an appropriate luncheon was served by the committee in charge.

Engraved calling cards, wedding and nouncements and invitations.

All the ladies wore black dresses making it look as weird as possible.
